PROPOSED
ADMINISTRATIVE
ORDER NO: 22-XXX-AP

FINDINGS

Pursuant to the provisions of the Alabama Environmental Management Act, Ala. Code §§ 22-22A-1 to 22- 22A-17, *as amended*, the Alabama Air Pollution Control Act, Ala. Code §§ 22-28-1 to 22-28-23, *as amended*, the Alabama Department of Environmental Management (hereinafter, the “Department” or “ADEM”) Administrative Code of Regulations (hereinafter, “ADEM Admin. Code R.”) promulgated pursuant thereto, and the federal Clean Air Act, 42 U.S.C. 7401 to 7671q, *as amended*, the Department makes the following FINDINGS:

1. Douglas Lovell (hereinafter, “Lovell”) owns real property located at 801 County Road 581 in Rogersville, Lauderdale County, Alabama (hereinafter, the “Site”).
2. The Department is a duly constituted department of the State of Alabama pursuant to Ala. Code §§ 22-22A-1 to 22-22A-17, *as amended*.
3. Pursuant to Ala. Code § 22-22A-4(n), *as amended*, the Department is the state air pollution control agency for the purposes of the federal Clean Air Act, 42 U.S.C. 7401 to 7671q . In addition, the Department is authorized to administer and enforce the provisions of the Alabama Air Pollution Control Act, Ala. Code §§ 22-28-1 to 22-28-23, *as amended*.

4. ADEM Admin. Code r. 335-3-3-.01(2)(b)1 states that "...open burning must take place on the property on which the combustible fuel originates."

5. ADEM Admin. Code r. 335-3-3-.01(2)(b)4 states that "Only vegetation and untreated wood may be burned. It is unauthorized to open burn heavy oils, asphalt products, plastics, vinyl materials, insulation, paper, cardboard, natural or synthetic rubber, salvage or scrap materials, chemicals, garbage, treated or painted wood, or any trash."

6. During October and November 2021, the Department received numerous complaints regarding open burning and associated odors being conducted at the Site.

7. On October 19, 2021, Department personnel conducted an inspection of the Site and observed evidence of unauthorized open burning of regulated materials. Department personnel discussed the Open Burning regulations with Lovell and advised him to cease all unauthorized open burning.

8. On November 2, 2021, Department personnel conducted a second inspection of the Site and found multiple burn piles containing, but not limited to wire, plastic, rubber, household garbage, and other various regulated items. Department personnel discussed the Open Burning regulations with Lovell again and issued a Warning Notice.

9. On November 18, 2021, Department personnel conducted a third inspection of the Site and observed a smoldering burn pile containing, but not limited to plastic, foam, and clothing. Department personnel explained the Open Burning regulations to Lovell again and advised him to cease all unauthorized open burning.

10. The Department has received additional complaints regarding continued unauthorized open burning being conducted at the Site after Lovell was advised to cease all unauthorized open burning.

11. On December 13, 2021, the Department issued a Notice of Violation (NOV) to Lovell regarding the unauthorized open burning, which requested a written response be submitted to the Department no later than January 17, 2021.

12. The NOV was returned to the Department as unclaimed.

13. On February 9, 2022, Department personnel hand delivered the NOV to Lovell, which requested that a written response should be submitted to the Department no later than March 7, 2022.

14. As of this date, the requested written response has not been received by the Department.

15. Pursuant to Ala. Code § 22-22A-5(18)c., *as amended*, in determining the amount of any penalty, the Department must give consideration to the seriousness of the violations, including any irreparable harm to the environment and any threat to the health or safety of the public; the standard of care manifested by such person; the economic benefit which delayed compliance may confer upon such person; the nature, extent and degree of success of such person's efforts to minimize or mitigate the effects of such violations upon the environment; such person's history of previous violations; and the ability of such person to pay such penalty. Any civil penalty assessed pursuant to this authority shall not exceed \$25,000.00 for each violation, provided however, that the total penalty assessed in an order issued by the Department shall not exceed \$250,000.00. Each day such violation continues shall constitute a separate violation. In arriving at this civil penalty, the Department has considered the following:

A. SERIOUSNESS OF THE VIOLATION: Lovell conducted unauthorized open burning of various regulated materials after being warned by the Department on multiple occasions. The Department considers these violations to be serious.

B. THE STANDARD OF CARE: There appeared to be no efforts made by Lovell to comply with the applicable requirements of the ADEM Admin. Code rs. 335-3-3-.01(2)(b)1 and 335-3-3-.01(2)(b)4.

C. ECONOMIC BENEFIT WHICH DELAYED COMPLIANCE MAY HAVE CONFERRED: Lovell likely derived an economic benefit by not legally disposing of the regulated materials.

D. EFFORTS TO MINIMIZE OR MITIGATE THE EFFECTS OF THE VIOLATION UPON THE ENVIRONMENT: At the time of the violations, there were no efforts by Lovell to mitigate possible effects of these violations upon the environment.

E. HISTORY OF PREVIOUS VIOLATIONS: Lovell has no previous history with the Department for violating the Open Burning regulations.

F. THE ABILITY TO PAY: Lovell has not alleged an inability to pay the civil penalty.

G. OTHER FACTORS: The Department has carefully considered the six statutory penalty factors enumerated in Ala. Code § 22-22A-5(18)c., *as amended*, as well as the need for timely and effective enforcement, and has concluded that a civil penalty herein is appropriate (*See* "Attachment A", which is hereby incorporated into these Findings).

ORDER

Based upon the foregoing FINDINGS and pursuant to Ala. Code §§22-22A-5(10), 22-22A-5(12), 22-22-5(18), and 22-28-18, *as amended*, it is hereby ORDERED:

A. That, not later than forty-five days after the issuance of this Order, Lovell shall pay to the Department a civil penalty in the amount of \$5,000.00 for the violations

cited herein. Said penalty shall be made payable to the Alabama Department of Environment Management by certified or cashier's check and shall be submitted to:

Office of General Counsel
Alabama Department of
Environmental Management
P.O. Box 301463
Montgomery, Alabama 36130-1463

B. That, immediately upon receipt of this Order and continuing thereafter, Lovell shall ensure immediate and future compliance with ADEM Admin. Code rs. 335-3-3-.01(2)(b)1 and 335-3-3-.01(2)(b)4.

C. That, should any provision of this Order be declared by a court of competent jurisdiction or the Environmental Management Commission to be inconsistent with Federal or State law and therefore unenforceable, the remaining provisions hereof shall remain in full force and effect.

D. Except as otherwise set forth herein, this Order is not and shall not be interpreted to be a permit or modification of an existing permit under federal, State or local law, and shall not be construed to waive or relieve Lovell of his obligations to comply in the future with any permit or other written direction from the Department.

E. That, issuance of this Administrative Order does not preclude the Department from seeking criminal fines or other appropriate sanctions or relief against Lovell for the violations cited herein.

F. That, failure to comply with the provisions of this Administrative Order shall constitute cause for commencement of legal action by the Department against Lovell for recovery of additional civil penalties, criminal fines, or other appropriate sanctions or relief.
