

ALABAMA DEPARTMENT OF ENVIRONMENTAL MANAGEMENT

IN THE MATTER OF: )  
EDSU, Inc. )  
Russellville, Franklin County, Alabama )

\*\*\*\*Proposed\*\*\*\*  
ADMINISTRATIVE  
ORDER NO: 19-\_\_-AP

FINDINGS

Pursuant to the provisions of the Alabama Environmental Management Act, Ala. Code §§ 22-22A-1 to 22- 22A-17, as amended, the Alabama Air Pollution Control Act, Ala. Code §§ 22-28-1 to 22-28-23, as amended, the Alabama Department of Environmental Management (hereinafter, the “Department” or “ADEM”) Administrative Code of Regulations (hereinafter, “ADEM Admin. Code R.”) promulgated pursuant thereto, and the federal Clean Air Act, 42 U.S.C. 7401 to 7671q, *as amended*, the Department makes the following FINDINGS:

1. EDSU, Inc. (hereinafter, “EDSU”) owns real property located at 22384 Highway 24 in Russellville, Franklin County, Alabama (hereinafter, the “Site”).
2. The Department is a duly constituted department of the State of Alabama pursuant to Ala. Code §§ 22-22A-1 to 22-22A-17, as amended.
3. Pursuant to Ala. Code § 22-22A-4(n), as amended, the Department is the state air pollution control agency for the purposes of the federal Clean Air Act, 42 U.S.C. 7401 to 7671q, *as amended*. In addition, the Department is authorized to administer and enforce the provisions of the Alabama Air Pollution Control Act, Ala. Code §§ 22-28-1 to 22-28-23, as amended.

4. ADEM Admin. Code r. 335-3-3-.01(2)(b)1 states that "...open burning must take place on the property on which the combustible fuel originates."

5. ADEM Admin. Code r. 335-3-3-.01(2)(b)4 states that "Only vegetation and untreated wood may be burned. It is unauthorized to open burn heavy oils, asphalt products, plastics, vinyl materials, insulation, paper, cardboard, natural or synthetic rubber, salvage or scrap materials, chemicals, garbage, treated or painted wood, or any trash."

6. On December 10, 2018, the Department received a complaint of unauthorized open burning occurring at the Site.

7. On December 19, 2018, Department personnel conducted a complaint investigation of the Site and observed unauthorized open burning of large amounts of saw dust in violation of ADEM Admin Codes r. 335-3-3-.01(2)(b)1 and 335-3-3-.01(2)(b)4.

8. On December 28, 2018, Department personnel spoke with Mr. Jehu Hester, an EDSU employee, by phone and asked him to extinguish the fire as soon as possible.

9. On May 31, 2019, Department personnel re-inspected the Site and observed ongoing unauthorized burning. It was noted that the large amount of saw dust will be difficult to extinguish and will not burn out in the near future.

10. On June 1, 2019, the Department received a complaint from the Franklin County EMA regarding continued burning at the Site. During the conversation with the EMA, it was noted that Mr. Jehu Hester is also storing sawdust at EDSU Sand and Gravel Trucking, located at 18788 Highway 43 in Russellville, Franklin County.

11. Pursuant to Ala. Code § 22-22A-5(18)c., *as amended*, in determining the amount of any penalty, the Department must give consideration to the seriousness of the violation, including any irreparable harm to the environment and any threat to the health or safety of the public; the standard of care manifested by such person; the economic

benefit which delayed compliance may confer upon such person; the nature, extent and degree of success of such person's efforts to minimize or mitigate the effects of such violation upon the environment; such person's history of previous violations; and the ability of such person to pay such penalty. Any civil penalty assessed pursuant to this authority shall not exceed \$25,000.00 for each violation, provided however, that the total penalty assessed in an order issued by the Department shall not exceed \$250,000.00. Each day such violation continues shall constitute a separate violation. In arriving at this civil penalty, the Department has considered the following:

A. SERIOUSNESS OF THE VIOLATION: EDSU conducted unauthorized open burning. The Department considers the violation to be serious.

B. THE STANDARD OF CARE: There appeared to be no care taken by EDSU to comply with the applicable requirements of the ADEM Admin. Codes r. 335-3-3-.01(2)(b)1 and 335-3-3-.01(2)(b)4.

C. ECONOMIC BENEFIT WHICH DELAYED COMPLIANCE MAY HAVE CONFERRED: EDSU likely derived economic benefit by not legally disposing of the materials.

D. EFFORTS TO MINIMIZE OR MITIGATE THE EFFECTS OF THE VIOLATION UPON THE ENVIRONMENT: There were no efforts by EDSU to mitigate possible effects of this violation upon the environment.

E. HISTORY OF PREVIOUS VIOLATIONS: EDSU has no known previous history with the Department for violating the Open Burning Regulations.

F. THE ABILITY TO PAY: EDSU has not alleged an inability to pay the civil penalty.

G. OTHER FACTORS: The Department has carefully considered the six statutory penalty factors enumerated in Ala. Code § 22-22A-5(18)c., *as amended*, as well as the need for timely and effective enforcement, and has concluded that a civil penalty herein is appropriate (*See* “Attachment A”, which is hereby incorporated into these Findings).

ORDER

Based upon the foregoing FINDINGS and pursuant to Ala. Code §§22-22A-5(10), 22-22A-5(12), 22-22-5(18), and 22-28-18, *as amended*, it is hereby ORDERED:

A. That, not later than forty-five days after the issuance of this Order, EDSU shall pay to the Department a civil penalty in the amount of \$4,000.00 for the violations cited herein. Said penalty shall be made payable to the Alabama Department of Environment Management by certified or cashier’s check and shall be submitted to:

Office of General Counsel  
Alabama Department of  
Environmental Management  
P.O. Box 301463  
Montgomery, Alabama 36130-1463

B. That, immediately upon receipt of this Order and continuing thereafter, EDSU shall ensure immediate and future compliance with ADEM Admin. Codes r. 335-3-3-.01(2)(b)1 and 335-3-3-.01(2)(b)4 .

C. That, should any provision of this Order be declared by a court of competent jurisdiction or the Environmental Management Commission to be inconsistent with Federal or State law and therefore unenforceable, the remaining provisions hereof shall remain in full force and effect.

D. Except as otherwise set forth herein, this Order is not and shall not be interpreted to be a permit or modification of an existing permit under federal, State or local law, and shall not be construed to waive or relieve EDSU of its obligations to comply in the future with any permit or other written direction from the Department.

E. That, issuance of this Administrative Order does not preclude the Department from seeking criminal fines or other appropriate sanctions or relief against EDSU for the violation cited herein.

F. That, failure to comply with the provisions of this Administrative Order shall constitute cause for commencement of legal action by the Department against EDSU for recovery of additional civil penalties, criminal fines, or other appropriate sanctions or relief.

ORDERED and ISSUED this \_\_\_\_\_ day of \_\_\_\_\_, 2019.

---

Lance R. LeFleur, Director  
Alabama Department of Environmental  
Management  
1400 Coliseum Boulevard  
Montgomery, Alabama 36110-2059  
(334) 271-7700
