

Alabama Emergency Response Commission (AERC)

EPCRA Section 302

Any facility that has EHS at or above its threshold planning quantity must notify the State Emergency Response Commission (SERC) or the Tribal Emergency Response Commission (TERC) and Local Emergency Planning Committee (LEPC) within 60 days after they first receive a shipment or produce the substance on site.

In accordance with the provisions of Section 302 of the Superfund Amendments and Reauthorization Act (SARA Title III) of 1986, this is to notify you that the following facility has above the Threshold Planning Quantities (TPQ) of the following extremely hazardous substance(s) as listed in 40 CFR Part 355:

Name of Facility:

Street Address:

City, State, Zip Code:

County:

Mailing Address (if different):

Master ID #:

<u>Substance</u>	<u>CAS #</u>	<u>Maximum Qty. On-site</u>
1.		
2.		
3.		
4.		
5.		
6.		
7.		
8.		
9.		
10.		

Section 303 Notification
